Yes No

Politically exposed persons

A politically exposed person is a person who holds or has held an important public position in a state or an international organisation. Individuals in important public positions are, among others, Heads of State, members of parliament, ministers, supreme court and supreme administrative court judges, national audit officers, members of the executive board of central banks, ambassadors, officers of high rank, directors or members of the board of state owned companies, or a member of senior management in an international organisation.

A contract note will be provided after payment has been received and the unit value determined. The latter takes place after the end of the month.

I am/We are aware that the company does not provide financial advice of the kind that is referred to in the Act (2003:862) concerning Financial Advice to Consumers or such investment advice referred to in the Act (2013:561) on managers of alternative investment funds; I/we further confirm that I/we have not engaged the company to provide such information.

The complete fund terms and conditions are provided in a separate information memorandum.
