

DO YOU WANT TO BE PART OF A NEW IT-OPERATIONS TEAM?

We are looking for a System Engineer (Windows)

ABOUT US

We are not like other asset managers. Not only are we unique in Stockholm with our quantitative and systematic investment management approach, but we are also at the forefront of the industry globally. Innovation has been part of our DNA since we started in 1999. At Lynx, we have managed to create a workplace where academic methods and a relentless focus on results are nourished by a friendly, collegial culture. The wellbeing of our employees is very important to us as they are the ones who make us successful. Lynx actively strives towards being an inclusive workplace and we see diversity as a prerequisite for future success.

POSITION SUMMARY

You will be part of Lynx Asset Management's new IT Operations team. We are recruiting a small team to work closely together and broadly across the entirety of the firm's IT infrastructure (Windows, Linux, IT Security and Network). Together with your colleagues, you will be responsible for continuously maintaining, improving and developing Lynx Asset Management's IT infrastructure, from hardware to operating systems.

In this role, you will be primarily responsible for the support and maintenance of hardware with Windows operating system (OS), both on-premises and virtualized using VM-Ware or AHV on Nutanix clusters.

WHO WE LOOK FOR

We are looking for someone who is organized, accurate, methodical, has the ability to deliver high quality solutions and is familiar working with business-critical systems. You are communicative and transparent and find it easy to work with others but also experienced enough to work independently and take your own initiative. Finally, you love new technology, are a true problem solver, are fluent in the English language and have a permanent Swedish work permit.

APPLICATION

In this recruitment, we collaborate with Level Recruitment.

Apply via the link <https://levelrecruitment.se/lediga-jobb/301099/>. Selection takes place on an ongoing basis. For more information and questions about the position, you are welcome to contact Daniel Stenberg, 08-120 50 429 or Daniel.stenberg@levelrecruitment.se. Please note that due to GDPR, we do not accept applications via email.
