

# DO YOU WANT TO BE PART OF A NEW IT-OPERATIONS TEAM?

We are looking for an IT- & CISO-manager

**L Y N X**

## ABOUT US

We are not like other asset managers. Not only are we unique in Stockholm with our quantitative and systematic investment management approach, but we are also at the forefront of the industry globally. Innovation has been part of our DNA since we started in 1999. At Lynx, we have managed to create a workplace where academic methods and a relentless focus on results are nourished by a friendly, collegial culture. The wellbeing of our employees is very important to us as they are the ones who make us successful. Lynx actively strives towards being an inclusive workplace and we see diversity as a prerequisite for future success.

## POSITION SUMMARY

Lynx is growing and to enable and support continued Expansion now the company are recruiting someone to manage our IT-operations team and assume CISO responsibilities. You will lead, coordinate and be responsible for the work within the IT department with personnel responsibility. The position includes the development and coordination of training programs for information security. Additionally, you will be responsible for prioritizing, developing, and implementing the information security roadmap as well as defining the information security strategy and objectives. Reporting and managing information security incidents, leading the incident response team in forensic investigations and recovery efforts are also within the scope of the position and report to the CTO.

## WHO WE LOOK FOR

We believe that you are self-motivated and driven and have an ability to tackle challenges. You can prioritize tasks and enjoy working both independently and together with others. You like to build relationships, for example with third parties. You like to promote diversity and knowledge sharing within and between teams. Finally, we value responsiveness, flexibility, accountability, speed and accuracy and you are fluent in the English language and have a permanent Swedish work permit.
